To: Lee Gale Gruen
Guest Speaker

Thank you, Lee Gale, for being the guest speaker for events hosted by our sales departments over the past several months at the following Covenant Retirement Communities:

- March 15, 2018: The Samarkand, Santa Barbara, CA
- April 13, 2018: Covenant Village of Turlock, Turlock, CA
- July 19, 2018: Covenant Village of the Great Lakes, Grand Rapids, MI
- October 16, 2018: The Holmstad, Batavia, IL
- October 17, 2018: Windsor Park, Carol Stream, IL
- October 19, 2018: Covenant Village of Northbrook, Northbrook, IL

Your lectures under the titles, “Reinventing Yourself in Your Senior Years,” or “Reinventing Yourself in Your Retirement,” were very interesting and well received by audience members, which included prospective new residents as well as current residents. The subject matter was relevant to our audience and allowed them to think of their own lives and how to live in their retirement years and maybe, just how one of our communities could fit into that plan. Thank you again, much appreciated.

Thank you,

Marisa Crean
